Job Title: X-Ray Technician
Reports To: Clinical Manager/Physicians
FLSA Status: PRN/Non-Exempt
Date: 05/11/2022

Basic Purpose of This Job

Obtaining x-rays of patients and reporting results to Western Slope Orthopaedics (WSO) physicians.

Duties and Responsibilities

- Escort patient and inform patient of what x-ray(s) will be taken.
- Prepare and position the patient for the x-ray, using safety precautions while positioning the patient.
- Capture clear, accurate x-rays of the view(s) ordered by the physician.
- Verify x-ray is stored electronically.
- Upon patient request, provide a copy of the x-ray on CD.
- Clean equipment daily.
- Needed repairs are to be reported to the Clinic Manager immediately.

Requirements

- Licensed Radiologic Technician (RT)
